

THE DISTRICT AT NORTHWOOD

2400 Broadway

Project Description

Located on the west end of Northwood Village, this 3.7-acre mixed-use development will house 350 residential units and approximately 60,000 square feet of commercial space. This CRA and Immocorp Capital project will include a 10,000 square foot public plaza.

Goal

To bring businesses, residents, and activity to the community along with additional parking for Northwood Village patrons.
